

Central Fladen Grounds Cod Closed Area Process

1. UKFMC will monitor any incursions in to the designated closed area and report these to SFSAG (Mike Park and Jennifer Mouat)

2. If the vessel is a SWFPA member a request will be sent to the vessel via the SWFPA office requesting that they please cease any fishing activity in the closed area:

58° 59.248' N 000° 08.373' W

58° 58.226' N 000° 04.475' E

58° 55.440' N 000° 05.816' E

58° 51.311' N 000° 06.539' E

58° 49.143' N 000° 00.170' W

58° 49.819' N 000° 09.843' W

3. If a further incursion is identified by UKFMC the vessel will be further warned and removed from the MSC vessel list for a period of one month.

4. Any further incursions by said vessel will result in the vessel being removed from the MSC vessel list.

5. If the vessel is not a SWFPA member the appropriate Producer Organisation will be contacted and will follow the process from point number 2 onwards.
